---

During the COVID-19 crisis, I will continue to give lessons to those who would like to come, and will be offering FaceTime lessons for those who are not comfortable coming to a lesson.

For those who come, I will be implementing the following:

1. At the end of each teaching day (and during breaks), I will sanitize both front doors, the sitting room door knobs, bathroom door knobs, toilet, and sink. I will use Lysol spray in the studio, sitting room and bathroom.
2. Between students, I will sanitize the keys and ask that each student wash their hands just before their lesson. I will do the same between students.
3. The March 28<sup>th</sup> studio recitals are cancelled. Do a mini-recital at home.
4. If you are sick with anything, even a common cold, please cancel your lesson as this virus can start out feeling like a cold. If your driver is sick, I am requesting that person stays in the car. I will do the same.
5. Take advantage of your next 2 weeks to get in extra practice! I plan to!
6. Stay safe!

Sincerely,

Jeanette Winsor  
Winsor Piano Studio
